A photograph of a blonde woman with blue eyes, identified as Karen Fisher, lying on her side. She is wearing a black strapless top and has her hands clasped near her chest. The background is slightly blurred, showing some blue and white elements.

The term Beautiful Blue-Eyed Busty Blonde would be a perfect way to sum up Karen Fisher. Those enormous big breasts that spill out of her DDD bra, definitely leave you knocked out. "I like shagging in places I might get caught," and with words like that, how can you not love this sexy pornstar.

”

SINFUL: What brought you into the adult industry?

Karen: I started stripping when I turned 18. I loved the excitement of it all, and of course the money didn't hurt either.

SINFUL: You're considered a MILF by most fans, how do you take that?

Karen: Well it's crazy nowadays in the porn business; girls over 28 and some times girls who are only 25 are considered MILFS. I'm almost 39 and have no issues with it.

SINFUL: You have sensational tits, what size are they?

Karen: They are enormous! (laughs). Seriously though, I'm not too sure. I usually buy DDD's, but I often spill out.

SINFUL: What were you like in your teens?

Karen: I was shy and reserved on the outside and for those that knew me well, I was wild and rebellious.

SINFUL: At what age did you lose your virginity?

Karen: 18

SINFUL: Do you ever sit back and watch your own scenes?

Karen: Not really. I feel weird watching myself.

SINFUL

FEATURE MODEL

SINFUL: What were some of the jobs you done prior to porn?

Karen: I've worked as a stripper, Real Estate agent, telemarketer, and in soft-core modeling.

SINFUL: You're about to shoot your first fuck scene, what was it like?

Karen: I was so nervous I was on autopilot. I was scared, yet excited at the same time.

SINFUL: Best thing about being a porn star?

Karen: There is never a dull day at the office (laughs).

SINFUL: Worst thing about being a porn star?

Karen: Seeing how all the piracy is damaging the industry. It really bums me out.

SINFUL: Tell our readers about any releases you have coming up?

Karen: I update my own website www.sexykarenxxx.com. I also had a really cool new release from Adam and Eve called "Shades Of Desire" just come out. It's a must see along with my new threesome scene with Julie Cash and Chris Strokes on Reality Kings.

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

Karen: You know, I'd like to mix it up and do some more fetish stuff. I think that would be fun to explore. I'd also like to do a balls to the wall orgy scene.

SINFUL: Kinkiest place you've had sex outside of the film world?

Karen: Hmm, that's a tough one. I would have to say in a public restroom. I like shagging in places I might get caught.

SINFUL: What's a sexual fantasy you have yet to fulfill?

Karen: I've done so much, but it's always exciting for me to do it somewhere new and interesting.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Karen: Just one? Dang that's hard. I guess I would say Ruby Rose, because she seems like she would be a really good lover.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they gotta watch?

Karen: Well that really depends on what kind of porn they like to watch. My site has a great variety of girl/girl/, boy/girl, solo, threesomes, hardcore, glamour, etc. It has a little something for everyone.

SINFUL: What gets you wet?

Karen: A good kisser gets me every time!

SINFUL: What's your favorite sexual position?

Karen: I like spoon the best. It hits me in just the right places.

SINFUL: Three thing fans don't know about you?

Karen: I have a nursing degree. My favorite British slang term is shag and I'm originally from Portland, Oregon.

SINFUL: Do you watch porn?

Karen: I rarely do. I guess I'm more of a doer than a watcher.

SINFUL: A guy is about to cum, where do you want it to land?

Karen: It depends on the guy I guess, but generally I think on the boobs or ass is hot.

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

Karen: Johnny Champ for SCORE, because he made me squirt like crazy and I'm not really a squirter.

“

I'd also like to do a balls to the wall orgy scene.

Karen: There was a girl who didn't speak much English on-set and she accidentally brushed her teeth with Fixodent denture adhesive.

SINFUL: Have you ever said no to a movie?

Karen: I've always turned anal down because anal is OUCH!

SINFUL: What's the weirdest thing a fan has asked for or asked you to do?

Karen: I had a fan wait for me at the airport with a bunch of 8x10's to sign when I was flying to

Oregon to see my family. That kind of sketched me out just because I wasn't sure how they knew I'd be there.

SINFUL: What in store for you in future?

Casey Calvert Reveals Why She Chose Porn in New Book by Jiz Lee

Adult performer Casey Calvert shares her personal story about her decision to join the porn business in an essay featured in *Coming Out Like a Porn Star*, an all-new book by adult industry veteran Jiz Lee. The book is now available in paperback from ThreeL Media, and Calvert's essay is titled "Shark's Teeth."

"Early this year, Jiz sent me an email asking if I would be interested in participating. I agreed immediately, before I even knew what I was going to write about," stated Calvert. "My essay took form through multiple drafts. The biggest challenge was just being honest with myself, and being comfortable sharing that honesty with the world. I'm thrilled with the end result. I think my piece is one of the best I have ever written, and it is an honor to be included among such great company."

In her essay, "Shark's Teeth," Calvert tells of her Florida upbringing and how her best friend introduced her to porn as a middle school teen – Calvert would later become fascinated by spanking and BDSM/fetish porn. When her hidden secret came out, she earned a trip to the therapist, but her newfound obsession would not end there. Thanks to her college professor, who taught a First Amendment law class, Calvert learned porn was not as awful as she had been conditioned to believe.

Calvert would ultimately contact a porn producer whose fetish videos she admired and agreed to make her first video with him while still in college.

"I wrote in my journal that afternoon. I wrote down every little detail so afraid to forget," Calvert wrote. "At the end of my entry, I apologized to my mom, I apologized for staying out late. I apologized for enjoying it way more than I thought I would."

Eventually graduating Magna Cum Laude from the University of Florida, Casey Calvert worked as a popular fetish model before arriving in Los Angeles and embarking on an adult film career.

Coming Out Like a Porn Star is a definitive anthology from Lee with

personal stories by over 50 porn professionals who "came out" — or chose not to — to family, friends, and lovers. They represent a wide range of sexualities, ethnicities, and genders, with stories spanning topics such as coming out as trans and gay or lesbian, and stories where the authors push back against media further stigmatizing those who choose to do porn.

Calvert's essay will be featured alongside those of such adult stars as Joanna Angel, Ashley Blue, Nina Hartley, Stoya, and many others.

Wicked Sensual Care Responds to Ronda Rousey's Diss of Lube

In a recent Q&A with Maxim.com, MMA and UFC star Ronda Rousey answered a question from a fan about what a guy should never and always do in bed with a woman. In the answer, which is part of her popular column for Maxim.com, Rousey wrote, "What should a guy always do? Take his time. In general, a girl takes a minute. He needs to get her ready. You should never need lube in your life. If you need lube, than you're being lazy...and you're not taking your time."

Carrie Smith, head of Product Development for Wicked Sensual Care, offered the following words for Rousey:

Carrie Smith, head of Product Development for Wicked Sensual Care, offered the following words for Rousey:

Lubricant is perhaps one of the most essential elements of a healthy and enjoyable sexual experience, regardless of age or gender. Some of the reasons include: its ability to reduce friction, whether natural or from a condom; decrease in the odds a condom will break; assist with sex after menopause; help those with

Sexual Arousal Disorder and vaginal dryness; and in the case of Wicked Sensual Care, act as a natural biostatic due to our use of olive leaf extract.

In addition, flavored lubes, like our own Salted Carmel and Candy Apple flavors, make oral pleasures even tastier, while lubes with heating and cooling elements provide added sensations. And of course, lubricant is imperative for anyone engaging in anal sex.

Vandella

From working in an adult shop to a sex worker, to one of the sexiest porn stars around today, Sarah Vandella showcases everything sex appeal has to offer. From her beautiful stunning features to her bootylicious body, fans around the world find it very easy using her as a pleasure machine.

SINFUL: Thank you for the interview, what kind of girl were you like growing up?

Sarah: You're very welcome and thank you! Growing up I was really curious, but very shy as well. I loved playing outside and being with friends. I definitely would say that I was a tomboy!

SINFUL: And how did you get into the porn industry?

Sarah: I made the choice to enter the adult industry in 2007 and it was completely on my own terms. I took it step-by-step, which started with working in a couple of adult shops in my hometown. To be honest, I was always sexual and it just took being in my early 20's to get it all out of me!

SINFUL: What were the nerves like when you were about to do your first fuck scene?

Sarah: Oh, my! I was so nervous, but in a good way. It was nervous excitement for sure. I was horny, but the director didn't really explain much and it was more of a free for all for my co-star, who happened to cum twice in that first scene!

SINFUL: And what's it like to watch yourself fucking on screen?

Sarah: I don't exactly watch myself, but it's always surreal when I do! I giggle a lot.

SINFUL: What were you doing before you entered the porn industry?

Sarah: I was working as a legal sex worker at Sheri's ranch in Nevada.

SINFUL: Best thing about being a porn star?

Sarah: It would have to be the grateful fans and wonderful opportunities that come along with the business. Oh, and the sex of course!!!

SINFUL: What's the best sexual experience you have ever had outside of the film world?

Sarah: I'd have to say my first threesome at the brothel.

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

Sarah: Yes, a DP with two white dudes. I've already done one with black ones, so it would be hot to have that.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Sarah: Tommy Flanagan, the "Sons of Anarchy" actor is so sexy as fuck. I like older dudes, biker types, but no posers or little wannabes.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they have to watch?

Sarah: ArchAngel's "Anal Warriors 2", boom!

SINFUL: What's your favorite sex position?

Sarah: Spooning because it really hits my spot, and doggy.

SINFUL: You have so many amazing features, what's your favorite body part?

Sarah: Aw, thank you! My favorite is probably my smile!

SINFUL: What gets you wet?

Sarah: A good make out session with a really good kisser.

SINFUL: What are your turn offs?

Sarah: I'd have to say bad hygiene and narcissism.

SINFUL: You've got amazing blowjob skills where did that originate?

Sarah: I'm self-taught! I just love doing it, not much else to it!

SINFUL: On that topic, how about a tip for our female readers, what's the secret to the perfect blowjob?

Sarah: Try to practice with a banana or a Persian cucumber!

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

Sarah: Ramon Nomar in any scene, he's so hot! I love Spanish men (mmmmm).

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do anal?

Sarah: Try suggesting that you guys try something new and it doesn't have to be with dick right away. Penis toys are fun to try as well!

SINFUL: What do you have a weakness for?

Sarah: Dark chocolate.

talent responsibility to check their scene partner's tests results as well!

Ways to Control Ejaculation

A close-up, soft-focus photograph of a couple lying in bed. The woman's head is in the foreground, resting on a white pillow, with her dark hair visible. The man's arm and hand are visible in the foreground, resting on the white sheet. The background is blurred, showing the other side of the bed and a white headboard.

Premature ejaculation is an aged old problem. It is very common and is not unique to any specific class. It is of paramount importance that partners are honest with each other about their sexual challenges and seek help. Failure to do so can result in great anguish for both partners. However, it can be cured if managed properly. Below are some of the major ways in which an individual can be helped.

1. Communicate with your sexual partner

Communication is pivotal to the growth and development of a solid relationship. Therefore, like other topics, sex must be fore and center. Let your partner knows what is happening and withdraw when you are about to climax.

5

Ways to Control Ejaculation

2. Breathe well and fully

Like other organs, the reproductive organ needs maximum energy to perform its task. Therefore, taking deep and long breaths can help to minimize or suppress the ejaculatory response.

3. Masturbate more often

Masturbating before being involved in the sexual act, for about 15-20 minutes can help you stay longer and slows down the climaxing process. It is safe, once done gentle and is even believed to reduce the change of having prostate cancer.

5

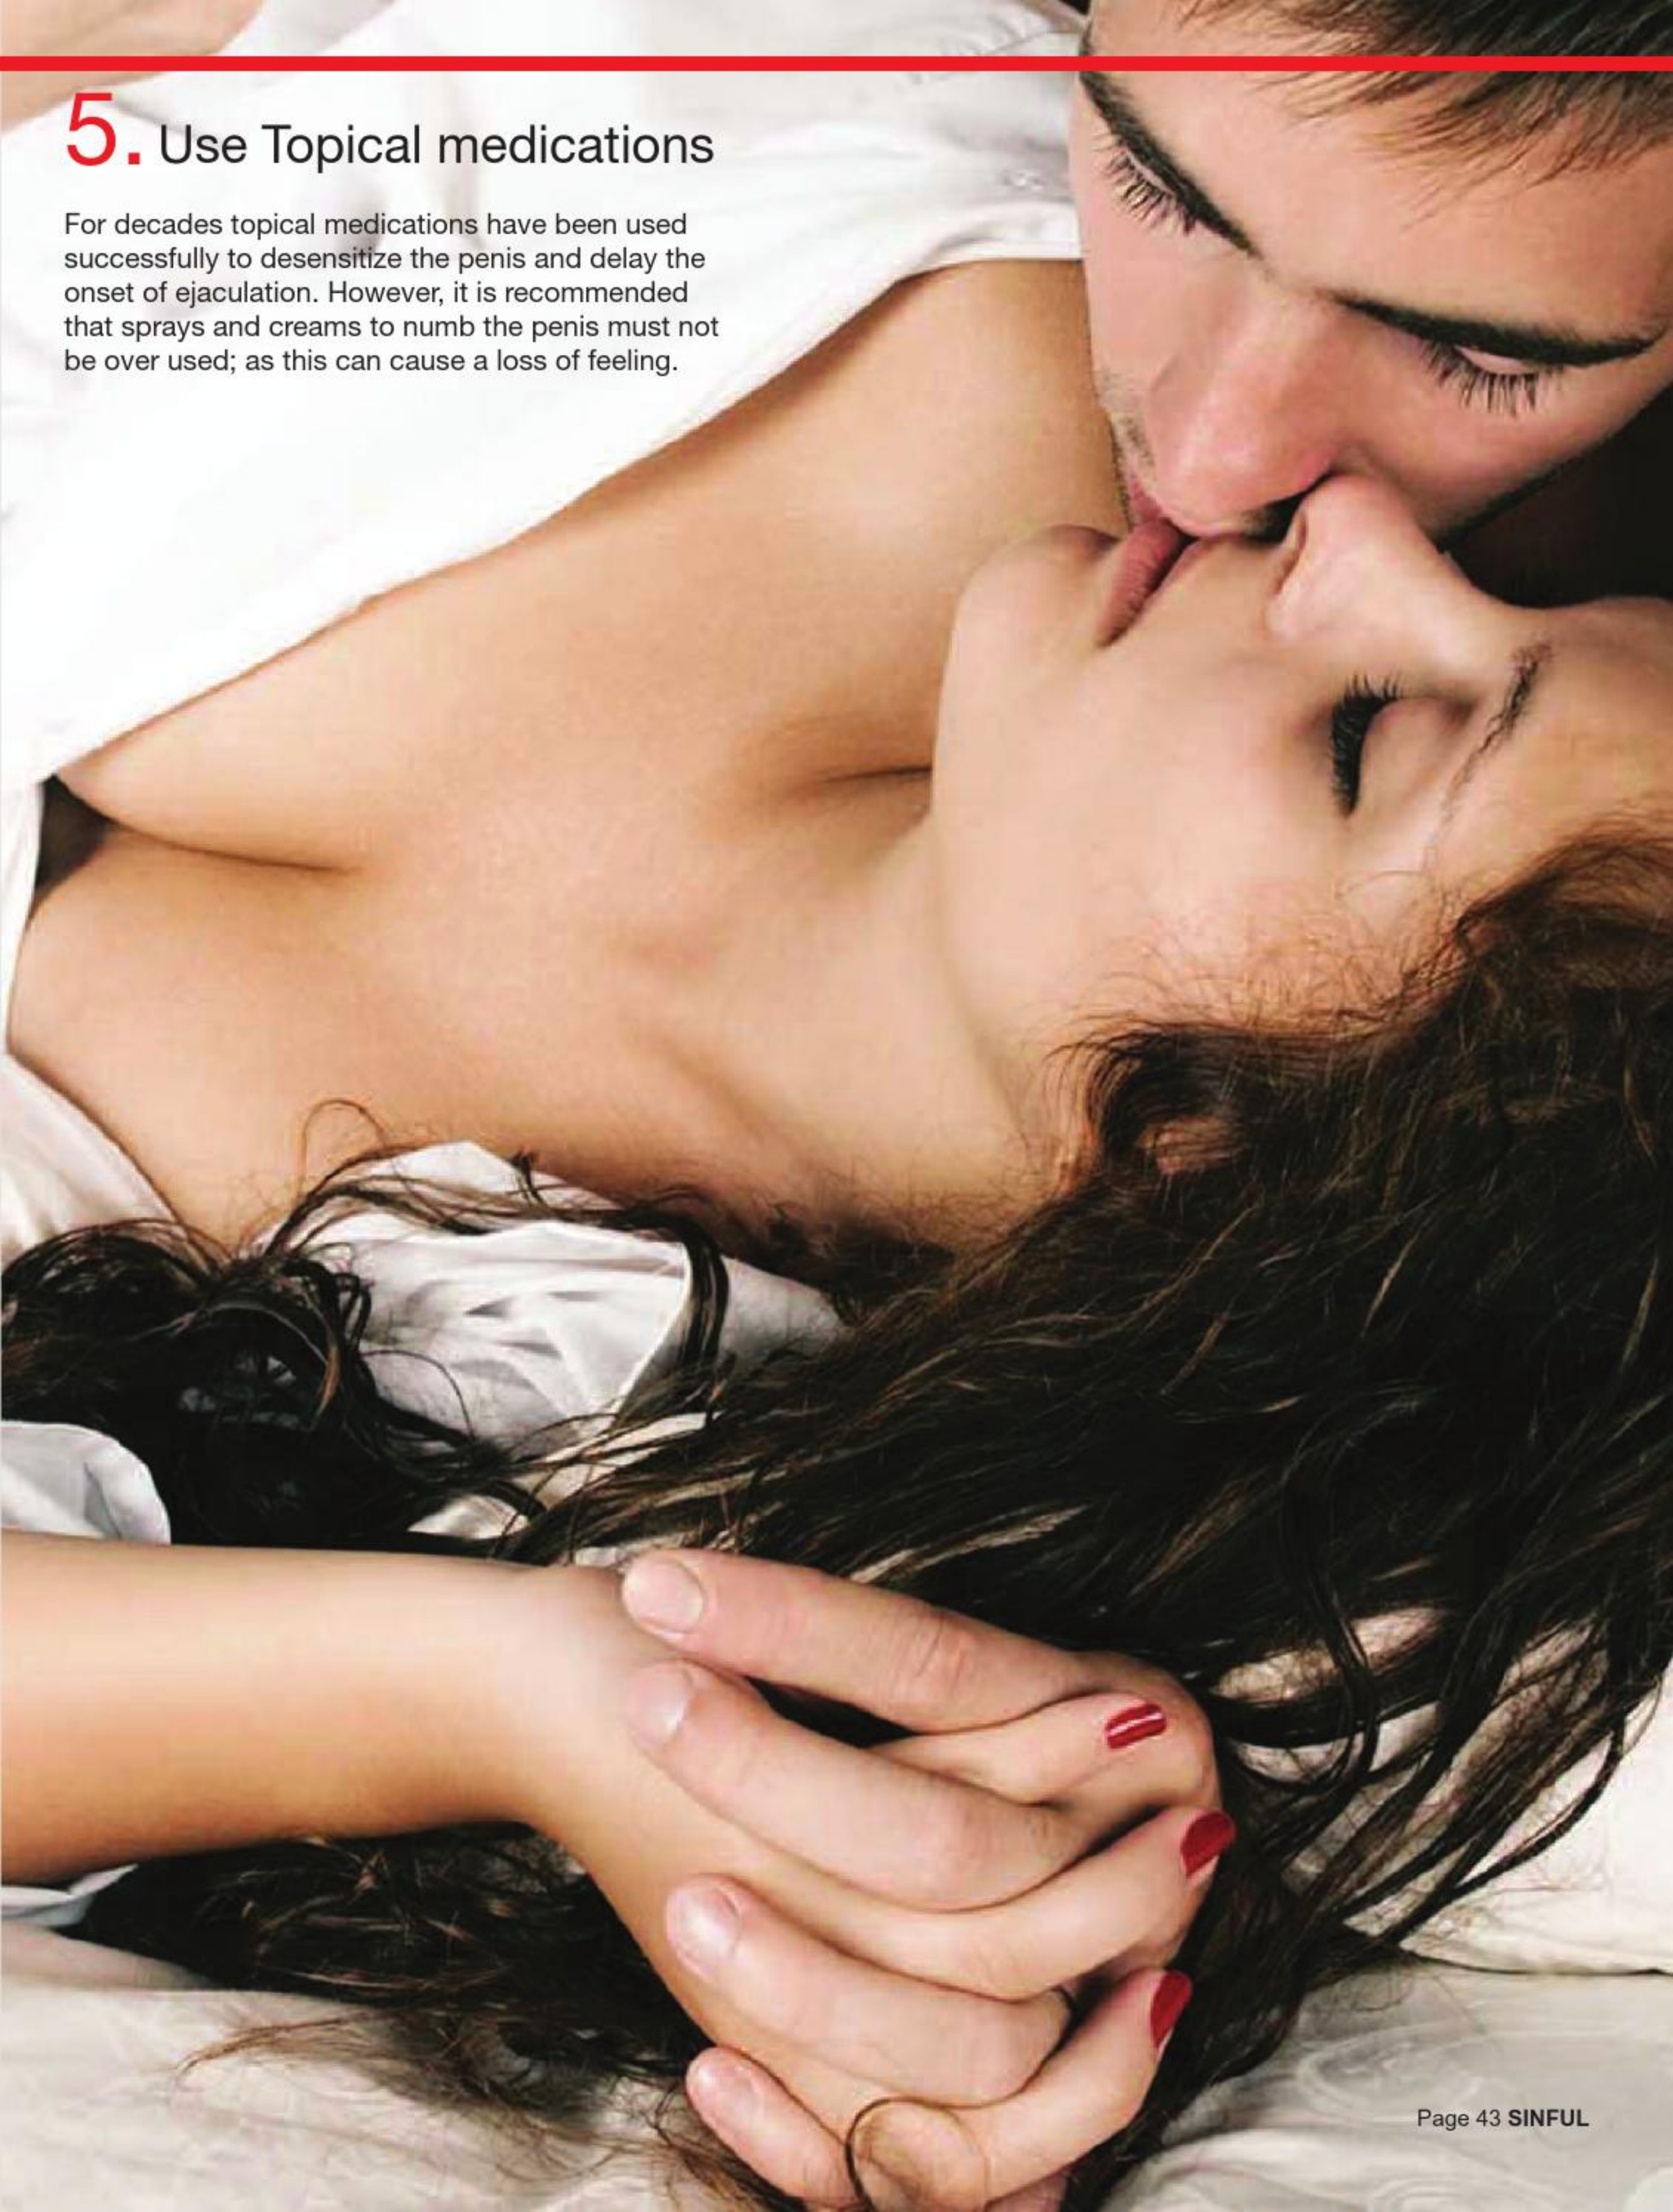

Ways to Control Ejaculation

4. Use a condom

Using a condom helps to reduce sensation to the penis, making overstimulation less of a problem.

5. Use Topical medications

For decades topical medications have been used successfully to desensitize the penis and delay the onset of ejaculation. However, it is recommended that sprays and creams to numb the penis must not be over used; as this can cause a loss of feeling.

SINFUL: Thank you for the interview. How did you get your start into the porn world?

Raven: Natasha Starr got me thinking about it for a year until I finally decided to do it after attending swinger and sex parties. I realized that this wasn't just porn, it's a lifestyle for a huge portion of the world. To know that people and couples would be getting off to me was a huge turn-on, so off to California I went.

SINFUL: Why porn? Most females think of all other careers, but not to fuck on screen.

Raven: I graduated college with a psychology degree, so I needed money since I've taken care of myself pretty much my whole life. I was modeling, but it wasn't paying the bills, so that was the reason. I'm a naturally sexual person so I figured why not, while I'm young! It's a great learning experience and my performance transitioned amazingly. I was thinking future wise that I could make a brand and move on to mainstream.

SINFUL: What were you doing prior to the adult industry?

Raven: I was in college full-time. I've always been a little bookworm. I was living life in the Big Apple, New York City after I turned 18 and moved from Florida.

SINFUL: You have such a stunning exotic look, what mix is your nationality?

Raven: Italian, Scottish, and Jamaican!

SINFUL: When and how did you lose your virginity?

Raven: I was 13 and I lost my virginity in the woods behind my apartment complex with a guy that was 17. When we were done I ran home, snuck back inside and cried. I was sad that it wasn't spectacular like I had envisioned.

SINFUL: Where you a promiscuous girl growing up?

Raven: For growing up in a small town I chose to safely explore in the best ways possible. (laughs)!

SINFUL: You're about to shoot your first sex scene, what's going through your head?

Raven: My adrenaline was definitely at its peak. I wasn't fully sure what filming a scene actually entailed. I was nervous because I had my period and I wasn't sure about the whole sponge tip. You use a makeup sponge! This was all new to me and my male talent helped retrieve it afterwards, which I thought, was the sweetest. So, smooth sailing for Penthouse and it turned out to be a dope scene.

SINFUL: Do you ever sit back and watch yourself on screen?

Raven: I can't watch myself because I start laughing hysterically! I was shooting for Brazzers a couple weeks ago and they had me watch a scene with a lesbian couple where one kept asking, "Is that you?" and I was in shock almost, like I was nervous.

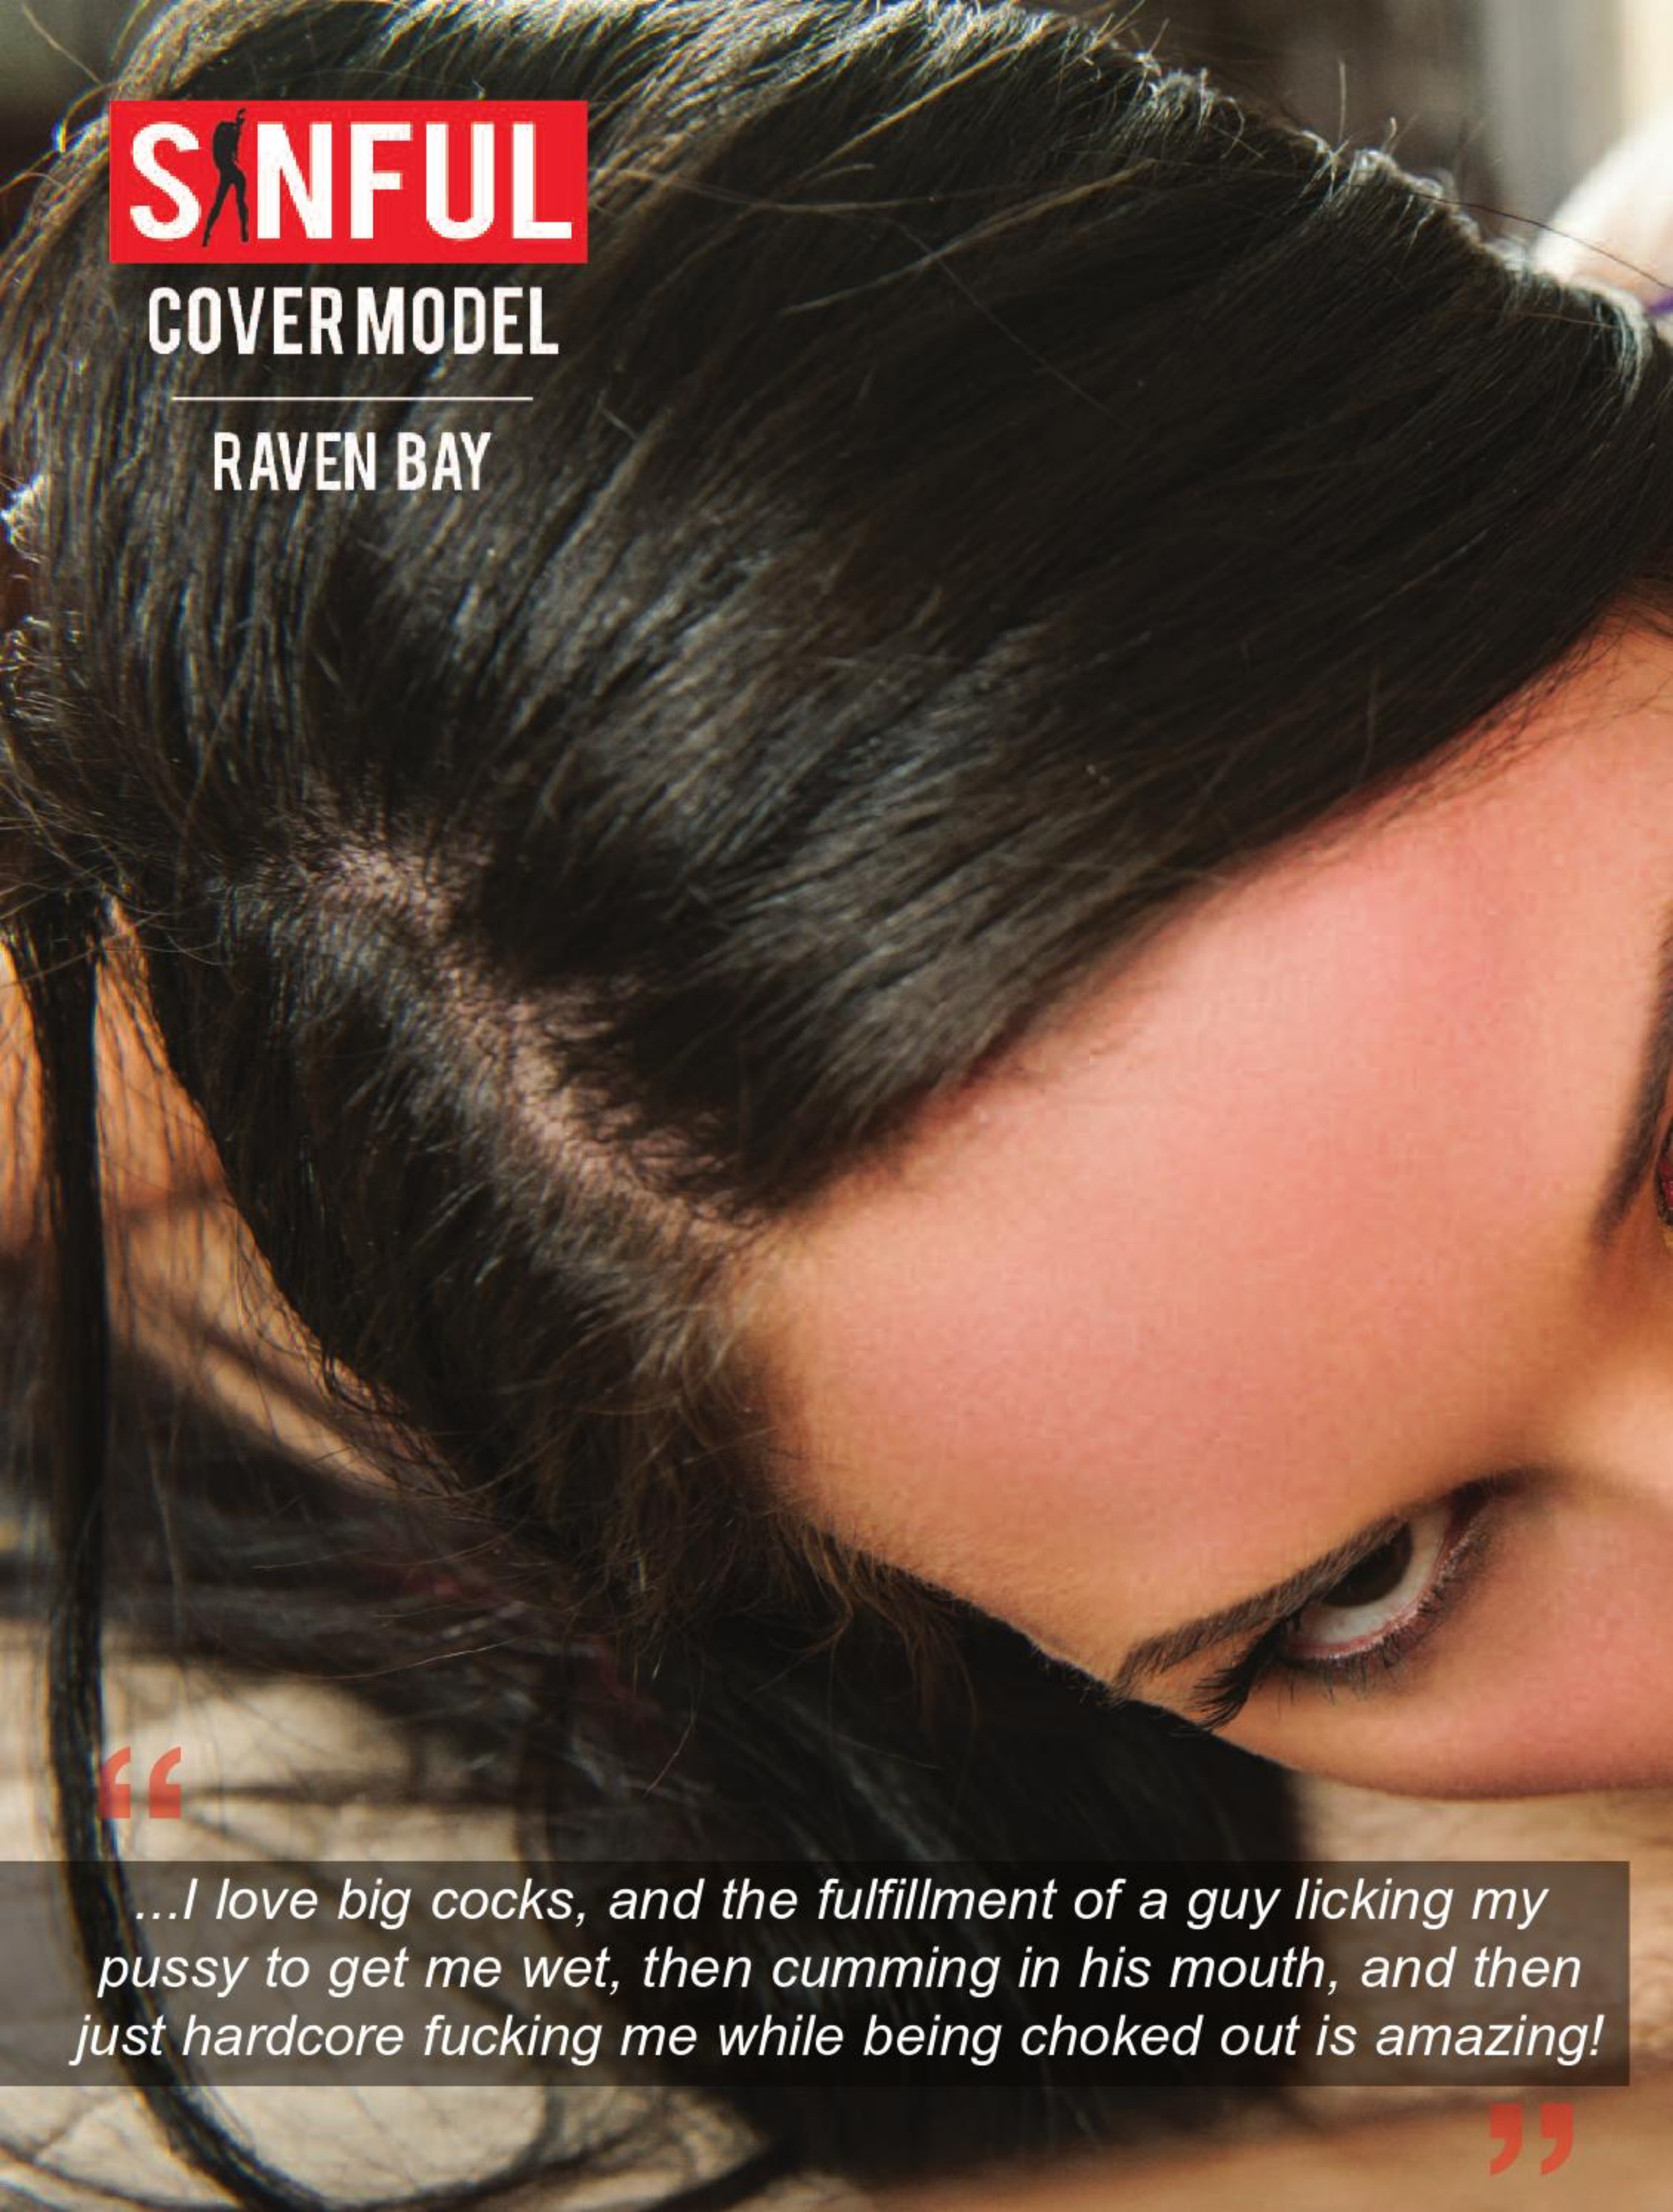

SINFUL: Name one movie or scene you've done that you would recommend our readers to watch?

Raven: "Mean Cuckold 6" because the chemistry between Dirk Huge and I is perfect for this. We had a human mattress and there is so much more than your typical boy/girl scene going on in that scene.

SINFUL: You're also into females; at what age did you realize you were into girls?

Raven: My mom is lesbian, so when I did live with her I was always around women. I never really decided between guys and girls, ever. I just grew up thinking it was normal to like both. Now I am pickier. I only like girls who like girls because it's awkward messing around with a girl if she is strictly into dick.

Raven: BEING FREE and living my life how I want.

SINFUL: Worst thing about being Raven Bay?

Raven: I have a really bad anxiety problem and it sucks! I have books on coping mechanisms for it, but it never goes away, so I have to just deal with it. Painting really helps, though.

SINFUL: What is the craziest sexual experience you've had outside the film world?

Raven: A Thanksgiving orgy! You know who you are (smiles).

SINFUL: Are you a dominant or submissive person outside the film world?

Raven: Personally, I'm submissive. I do tons of dom work on screen, so some would find that hard to believe, but I just like being the little spinner that gets thrown around, whipped upside down, spanked, and choked.

RAVEN BAY

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Raven: Drake or Leonardo DiCaprio! Drake because he has a sexy voice, he has a classy way of living and writes sweet lyrics that make me horny. Leo because he satisfies my daddy issues (laughs)! Just look at him! He's fucking gorgeous!

SINFUL: What's your favorite sex position?

Raven: My favorite position is in the air 69, and when the guy holds me in the air and fucks me. I'm still trying to figure out what it's called, maybe in the air missionary?

SINFUL: A guy is about to blow his load, where do you want it to land?

Raven: In my mouth! I love swallowing and it's my favorite thing to finish off any kind of sex. Plus, guys from my experience love watching that happen.

SINFUL: What gets you horny, what gets you wet?

Raven: Sarcasm is the first thing that attracts me and gets me wet, secretly! Then my favorite is being woken up getting eaten out. I love masturbating at all times, so Hitachi can get me going whenever wherever.

SINFUL: What do you have a weakness for?

Raven: Purses and red bottoms! I love fashion, so I get wet talking about them.

SINFUL: Is there something you haven't done yet on screen that you'd like to do?

Raven: I want to do anal on screen eventually.

SINFUL: You've done the whole interracial thing on screen, why is it you think that people find the white girl and big black cock thing such a turn on?

Raven: The reaction from taking such a huge cock is so intense that it's probably them replacing themselves mentally with the male talent. So, it's the fantasy of the girl being filled and screaming, moaning so loud that it makes them want to portray this scenario.

SINFUL: For people trying to get into the industry, what advice would you give them?

Raven: Staying true to you is number one. This is a very difficult industry socially, so just hold onto your personality and let everything else fall into place, as it should.

SINFUL: What does it feel like to have men and women all over the world masturbate over you?

Raven: It's a unique feeling that I don't really know how to explain. I'm happy whenever someone writes me that I fixed their relationship, or to see the fans that have been following me since day one.

SINFUL: Craziest or creepiest thing a fan has asked you to do or asked for?

Raven: To eat my dog's shit. That is the creepiest and grossest thing someone has said to me.

SINFUL: One thing fans don't know about you?

Raven: I'm huge on cuddling and I hate sleeping alone. My friends laugh at me because when I text them at night, they already know that I'm going to ask them to sleep over.

SINFUL: What's in store for you in future?

Raven: I have a great concept for a fashion line and I'm always writing down all my thoughts and ideas. I always get comments on my style, so I figured I would bring my Barbie bling-bling edginess to the table. I don't want to give too much away, but in my head its genius and I hope everyone will love it as much as I do.

Also, I want to do mainstream. So, movies, shows and modeling! I know it's difficult for porn stars, but I have the drive and anyone can make their dreams come true if they just believe and stay true to themselves.

THREE SEX POSITIONS PART 2

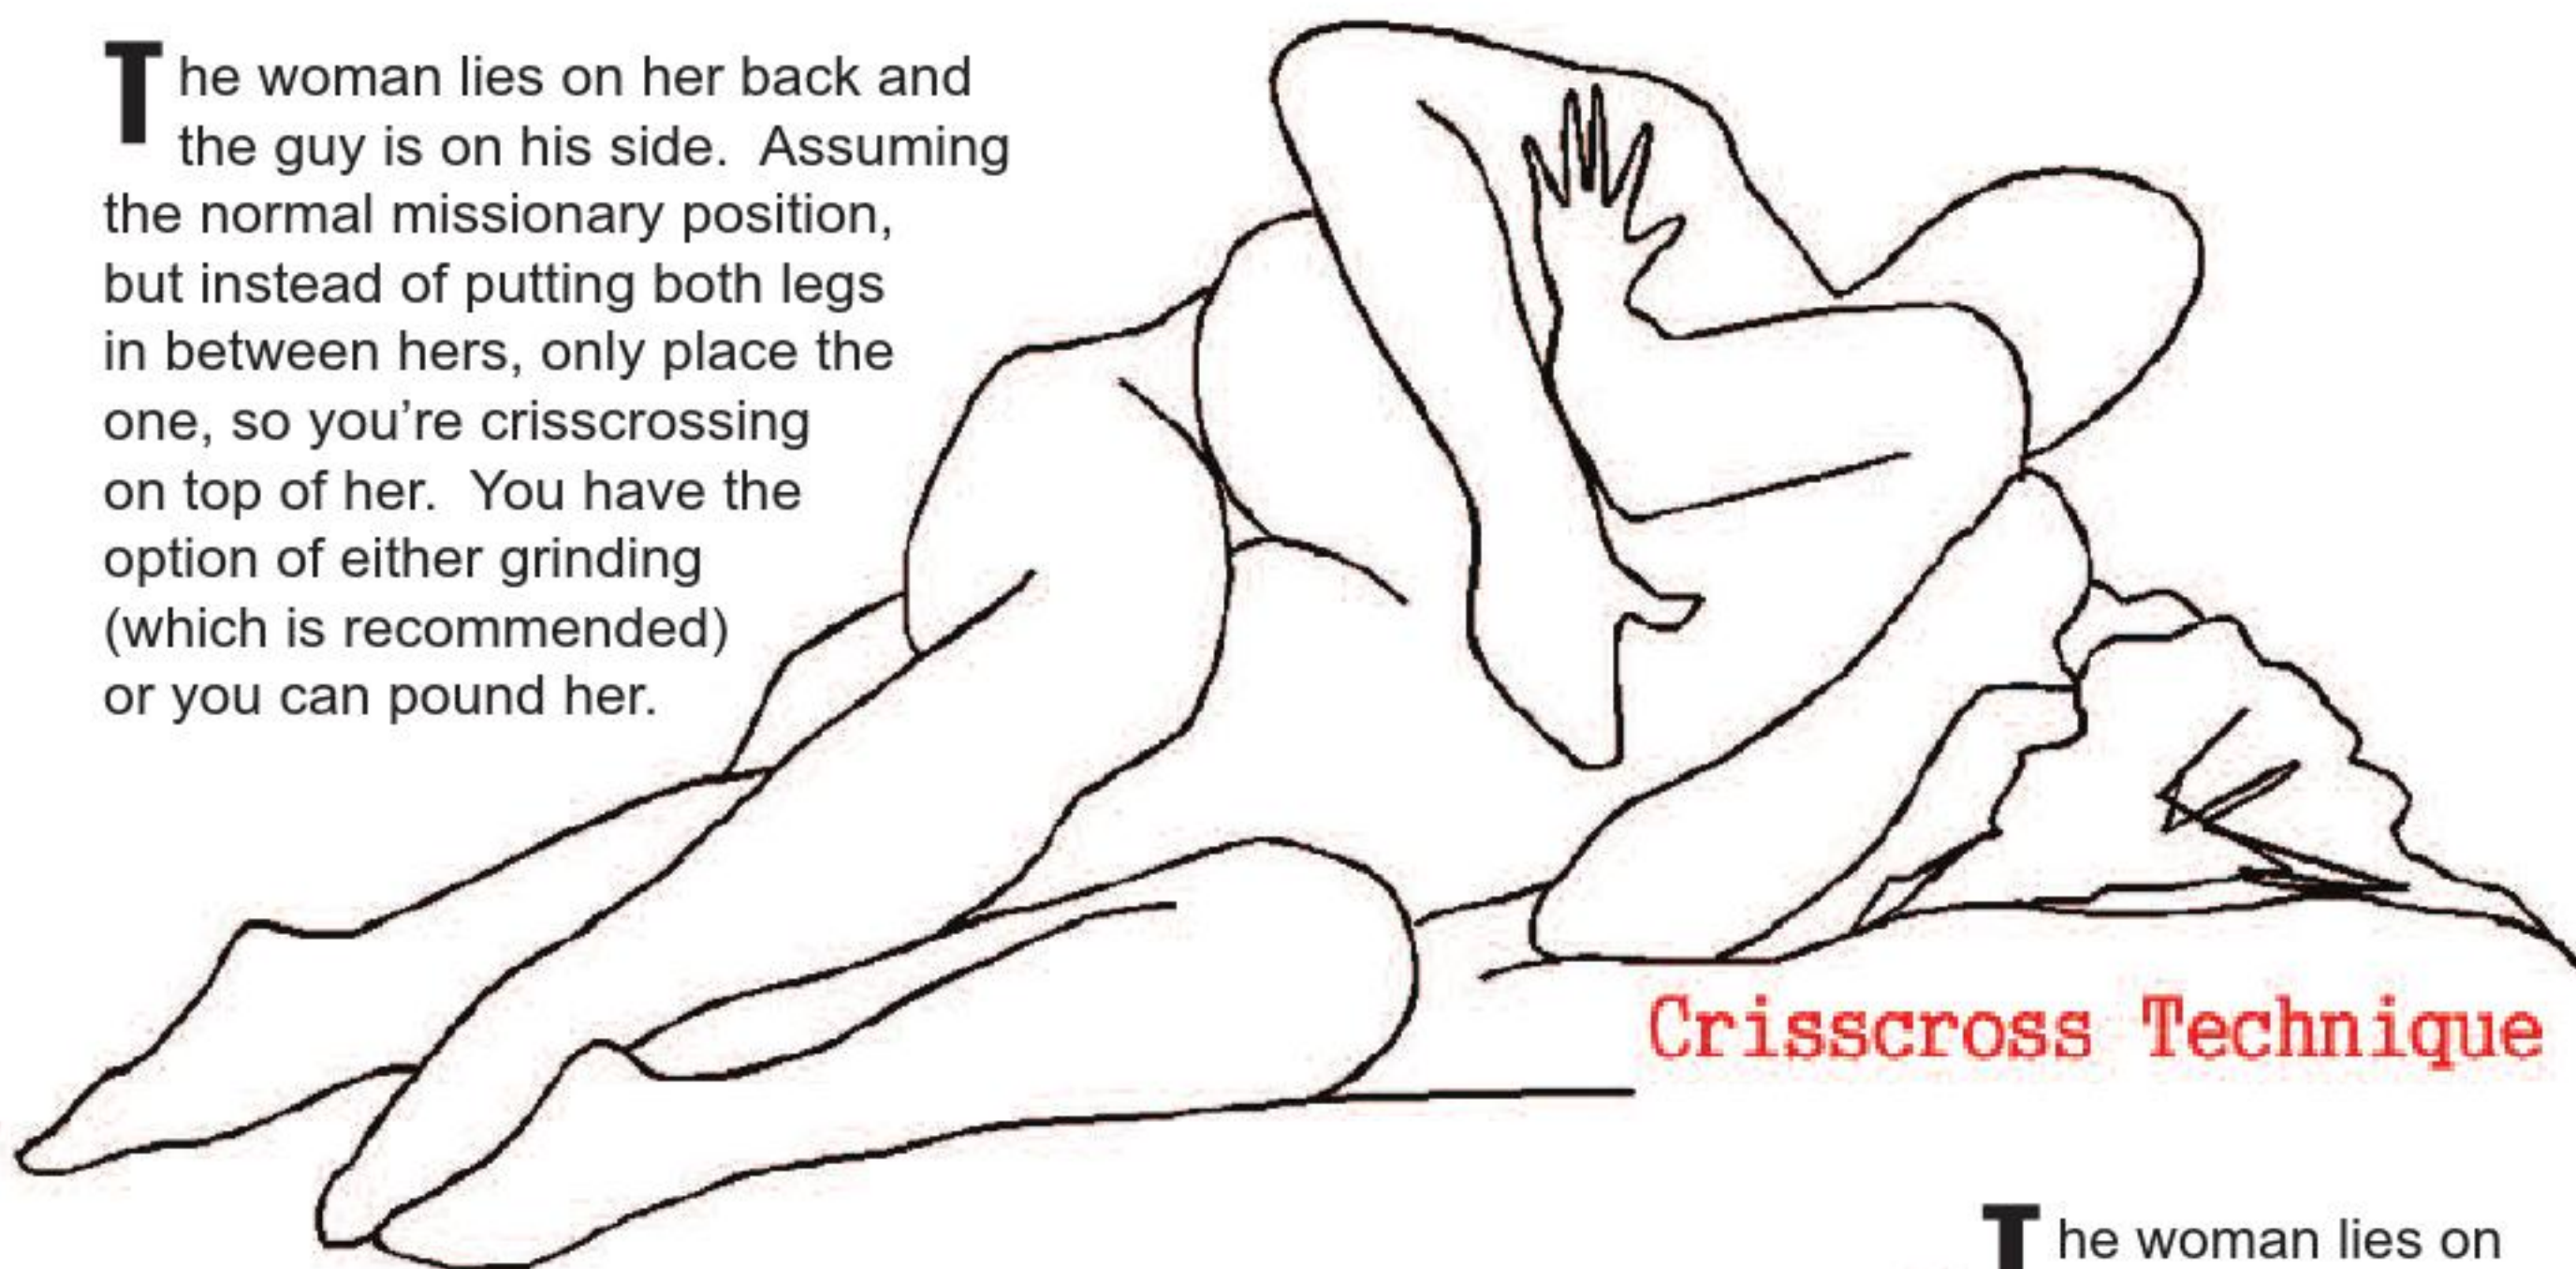

One of the most intriguing and amazing tenets of a great relationship is a healthy sex life. It opens a world of discovery and an excellent tool for bonding in a relationship. Sex ignites the love and passion in intimacy. There are absolutely no guidelines as to a specific position that spouses should confine to. In fact, the more innovative and creative couples are in their sex lives will only serve as a great rekindling tool for joy, happiness, success, fulfillment, comfort and peace of mind. Hence, the list below is some of the thousands of positions that partners can explore.

You normally start in a missionary position with your full body weight on top of the woman, and then move forward so that the base of your penis is making direct contact with her clitoris.

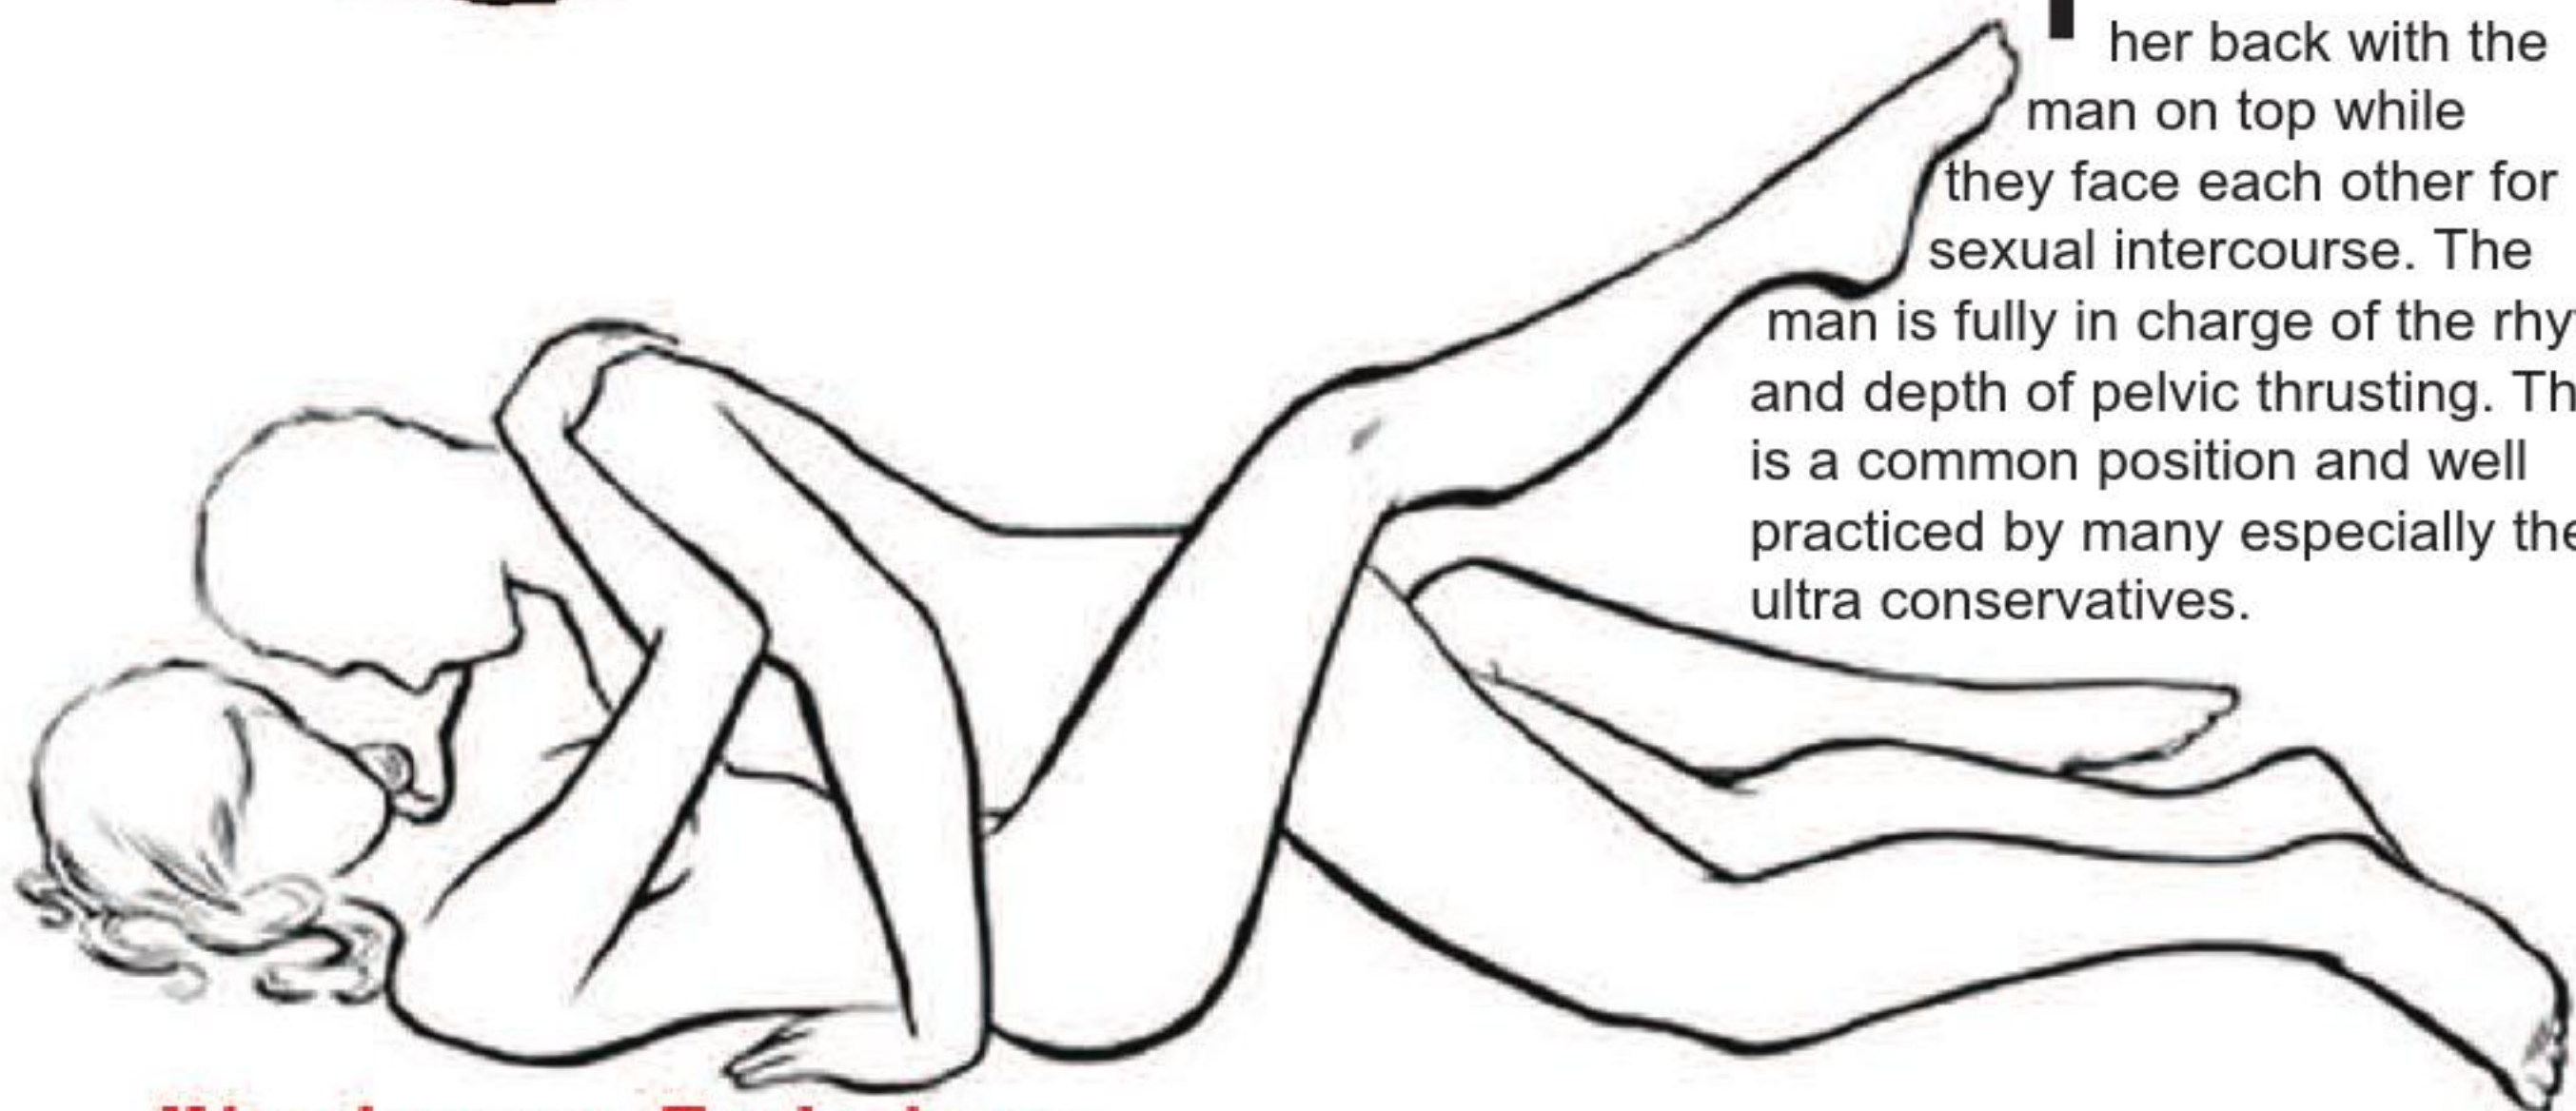

Coital Alignment Technique

The woman lies on her back and the guy is on his side. Assuming the normal missionary position, but instead of putting both legs in between hers, only place the one, so you're crisscrossing on top of her. You have the option of either grinding (which is recommended) or you can pound her.

Crisscross Technique

The woman lies on her back with the man on top while they face each other for sexual intercourse. The man is fully in charge of the rhythm and depth of pelvic thrusting. This is a common position and well practiced by many especially the ultra conservatives.

All Of Your Fantasies

WWW.PORNPLAYGROUND.COM

A woman with long dark hair is lying in bed, propped up on her elbow, looking thoughtfully to the side. She is wearing a light blue tank top with a lace trim. The bed has white linens and pillows.

Just imagine you have had a blast of a sexual moment; one that you have never had before and right after climaxing your partner rolls over and falls asleep. It is one of the many mistakes couples find themselves guilty of. With all the efforts, that one moment can have a lasting dent in the relationship. Therefore, below is a list of things couples should try and avoid after sexual intercourse.

1. Falling asleep immediately after the act: Couples need to discuss what just happened and how they felt about it. Sleeping at once would not allow for such talks and a savoring of the moment.

2. Inviting the kids to the bedroom: Having someone invading your sexual privacy is a breach of sexual passion, comfort and love. It brings a halt to all the hang over that would put the “icing on the cake.”

Mistakes Couples Make After Sex

After an enjoyable sexual moment, partners can feel cheated if other activities are carried out unrelated to sex. They feel used and abandoned. This can be averted if couples are a bit more aware and see sex as fun and not work.

3. Making telephone calls: Another horrible mistake couples can make is to call friends or family right after sex and it is not a case of emergency. All you have achieved is to kill the vibe and bring doubt in the relationship.

4. Sleeping in separate rooms: There are couples who practice sleeping in separate rooms. However, in moments like these, it shows a level of insensitivity and selfishness. These are the moments of cuddling and reflecting together.

Ashlee Graham

SINFUL: So what were you like in your teens?

Ashlee: I wasn't the cool kid, but I was a friend with everyone. I graduated a year early and went to college immediately after. I was very independent and rebellious, though. It was like I wanted to prove to the world I could do it all by myself, and I'm still like that.

SINFUL: What did you want to be growing up?

Ashlee: In kindergarten I wanted to be a vet. It changed a lot, but it eventually turned into me wanting to become a writer.

SINFUL: And how did you end up in the porn industry?

Ashlee: I was working in a pet store when a regular customer mentioned making a profile on Model Mayhem. I started out doing art and glamour nude work and it just progressed from there.

SINFUL: Tell us how it felt to shoot your first girl/girl scene?

Ashlee: Honestly, I was super nervous. I didn't have many girl experiences with full on sex. It was also with Asa Akira, which made it scarier. I ended up letting loose once I got there and had a great time.

SINFUL: Now tell us how it felt to shoot your first boy/girl scene?

Ashlee: It was for Brazzers and I wasn't nervous at all, but super excited. I started out strictly girl/girl, so I had a lot of time to figure it out and think about it. It was also for one of my favorite directors at Brazzers, so he really put me at ease.

SINFUL: Best thing about being a porn star?

Ashlee: The best things are the awesome sex and hot girls.

SINFUL: Worst thing about being a porn star?

Ashlee: It makes my dating life really fucking difficult.

SINFUL: Is there a sexual fantasy you haven't done yet in your personal life?

Ashlee: A straight up DP (double penetration).

“
*It makes my
dating life really
fucking difficult.*
”

“

*I once gave one of
my exes a blowjob
in the front seat
of a cop car.*

”

SINFUL: Kinkiest place you've had sex outside of the film world?

Ashlee: I once gave one of my exes a blowjob in the front seat of a cop car. He was not a cop. He was just working on the truck.

SINFUL: On screen, is there something you haven't done yet, that you'd like to do?

Ashlee: Not really. Maybe a reverse gangbang.

SINFUL: Who is one celebrity that you'd love to do a scene in an adult film with?

Ashlee: I'd pick Johnny Depp because he seems dominating and super kinky.

SINFUL: For any person reading this who hasn't seen you perform, what's one scene they gotta watch?

Ashlee: Anything from ClubAshleeGraham.com.

SINFUL: What's your favorite position?

Ashlee: Doggy because I like to get my hair pulled and spanked.

SINFUL: What gets you horny, what gets you wet?

Ashlee: Biting on my ear or neck and of course making out.

SINFUL: A guy is about to blow his load, where do you want it to land?

Ashlee: I'd want it to land in my mouth.

SINFUL: What are your turn offs?

Ashlee: My turn offs are bad hygiene, cockiness, over eagerness, and not being on time.

SINFUL: How about a tip for our female readers, what's the secret to the perfect blowjob?

Ashlee: Body language, because every guy is different. It's super important to just read their body language and see what they like. Communication is also important. Ask the guy what he likes. This goes for both guys and girls.

SINFUL: Now a tip for the male readers, how does a guy bring up or convince his girl to do a threesome with another girl?

Ashlee: You don't. It happens naturally. I hate when I'm with a guy and he talks about how he wants a threesome all the time. It has to be organic and there has to be chemistry between all partners or it can get awkward really fast.

SINFUL: What's the best chemistry you've had on screen, where the guy made you cum hard?

Ashlee: The best? Hmm. There's a few including Johnny Sins, James Deen and anything with Tommy Pistol.

SINFUL: What do you have a weakness for?

Ashlee: I have a weakness for pretty smiles and funny guys. Right now, I'm really into intelligent guys who keep me on my toes. I love a good challenge!

SINFUL: What 3 things can't you live without?

Ashlee: I couldn't live without my cell phone, my dog and my books.

“

...the only weird things I get are custom fetish video requests and I love to shoot those.

”

SINFUL: Take us behind the scenes, what's it like, what happens, how does the scene start?

Ashlee: I wake up early, get to set, drink coffee, and get my makeup done. After that, we shoot stills and then we turn off the AC and die of heat exhaustion and sweatiness. Then, I shower and go home. It's a very structured environment.

SINFUL: What's the weirdest thing a fan has asked for or asked you to do?

Ashlee: I had one fan find me on tinder and freak out. He wanted to go on a date so badly. The problem was his opening message, 'OMG, its Ashlee Graham'. Worst way to start off trying to date me is like that. Other than that, the only weird things I get are custom fetish video requests and I love to shoot those. The weirder the better!

SINFUL: What's in store for you in future?

Ashlee: Right now, I'm focusing on shooting more scenes for other companies. I'm now self-booking, so it's a new ballpark. I'm also focusing on my fetish clips store clips4sale.com/40846 and my own site ClubAshleeGraham.com

SINFUL: What's the best way for fans to contact you?

Ashlee: Every social media name is: TheAshGraham. I can also be seen streaming my video games on twitch.tv/TheAshGraham. I webcam on AshleeGraham.CamModels.com and my email is AshleyGrahamModel@gmail.com.

HOT CHICKS BIG FANGS 2

TUESDAY NIGHT

Threesome

Jessica was sitting alone at the bar when she noticed a guy staring at her. She pretended not to see him and waited for him to come to her. It didn't take long and soon he was sitting across from her and introducing himself as Chris. They made small talk then Chris suggested going someplace more private. Jessica thought he was cute and decided to go for it. Chris told her that he'd have to bring his roommate Sean home with them because he'd hitched a ride there but Jessica didn't mind; Sean was even cuter than Chris and she wanted him just as much. "Let Sean drive," she said and pulled Chris into the backseat of the car.

After a few minutes of driving Sean heard Chris moan behind him and looked in the mirror. Jessica was leaning into him and had her hand in his lap. He tried to keep his eyes on the road but found it difficult, his eyes going back to the sexy blond. Jessica knew Sean was watching her and looked into the mirror, startling him. "If you pull over maybe Chris will let you join us." Her fist kept pumping Chris's dick and he was at the point where he would agree to anything she wanted.

"Don't finish without me," he told her and drove until he found an empty parking lot. He stopped the car and climbed into the backseat, sitting on the other side of Jessica.

She turned to face him and began kissing him, her hand slowing down on Chris. He felt a stab of frustration but it dulled as he watched her and his best friend. He put his hand on hers and moved it at his pace as she bent forward and undid Sean's jeans one-handed. Her hand

slipped off Chris as she put her hand around the base of Sean's dick and began to lick it. He moaned and put his hand on the back of her head, pushing her down on him. She covered his head with her lips and slid down his shaft slowly, relaxing her throat as he went deep. She began to suck him and Sean leaned back, groaning. Chris nudged Jessica forward on her knees, positioning her so he was behind her and shoved her dress up to her hips. He pulled her panties down and pushed inside her wet pussy. Jessica moaned around Sean's dick as she stretched around Chris. She enjoyed the full feeling for a second then began to move on Sean again.

Chris felt her warm tightness around him and began thrusting in and out of her, his eyes ever leaving her bobbing head. His hands held her hips and pulled her back to meet his thrusts and her muffled moans made him want her more. He grunted over her as his fingers dug into her soft skin and Jessica felt her pussy ache and throb. Sean got rougher with Jessica, shoving her down on him again and again. Jessica could feel strands of hair being pulled out as she tried not to choke. She felt Sean swell and a second later cum shot down her throat. She swallowed most of it down, the rest dribbling down her chin as she rocked back faster on Chris, clenching her pussy around him. He fucked her hard and fast, making her cry out until she tensed up and came. He gave a few last thrusts then shot his load in her.

The three of them sat there panting and sticky until Jessica said "Come on, let's go back to your place and have some real fun."

THE UNLUCKY DOCTOR

his beautiful woman one day walks into a doctors office and the doctor is bowled over by how stunningly awesome she is. All his professionalism goes right out the window... He tells her to take her pants, she does, and he starts rubbing her thighs. "Do you know what I am doing?" asks the doctor? "Yes, checking for abnormalities." she replies.

He tells her to take off her shirt and bra, she takes them off. The doctor begins rubbing her breasts and asks, "Do you know what I am doing now?", she replies, "Yes, checking for cancer." Finally, he tells her to take off her panties, lays her on the table, gets on top of her and starts having s*x with her. He says to her, "Do you know what I am doing now?" She replies, "Yes, getting herpes - thats why I am here!"

WHATS MY AGE

A woman decided to have a face lift for her birthday. She spent \$5000 and felt really good about the results. On her way home she stopped at a dress shop to look around. As she was leaving, she said to the sales clerk, "I hope you don't mind me asking, but how old do you think I am?" "About 35," he

replied. "I'm actually 47," the woman said, feeling really happy. After that she went into McDonald's for lunch and asked the order taker the same question. He replied, "Oh, you look about 29." "I am actually 47!" she said, feeling really good. While standing at the bus stop she asked an old man the same question. He replied, "I am 85 years old and my eyesight is going. But when I was young there was a sure way of

telling a woman's age. If I put my hand up your skirt I will be able to tell your exact age." There was no one around, so the woman said, "What the hell?" and let him slip his hand up her skirt. After feeling around for a while, the old man said, "OK, You are 47." Stunned, the woman said, "That was brilliant! How did you do that?" The old man replied, "I was behind you in line at McDonald's."

THE ESCAPED CONVICT

A man escapes from prison where he has been for 15 years. He breaks into a house to look for money and guns and finds a young couple in bed. He orders the guy out of bed and ties him to a chair, while tying the girl to the bed he gets on top of her, kisses her neck, then gets up and goes into the bathroom. While he's in there, the husband tells his wife: "Listen, this guy's an escaped convict, look at his clothes! He probably spent lots of time in jail and hasn't seen a woman in years. I saw how he kissed your neck. If he wants s*x, don't resist, don't complain, do whatever he tells you. Satisfy him no matter how much he nauseates you. This guy is probably very dangerous. If he gets angry, he'll kill us. Be strong, honey. I love you." To which his wife responds: "He wasn't kissing my neck. He was whispering in my ear. He told me he was gay, thought you were cute, and asked me if we had any vaseline. I told him it was in the bathroom. Be strong honey. I love you too!"

FROM HOUSEWIFE TO HOOKER

Harry and his wife are having hard financial times, so they decide that she'll become a hooker.

She's not quite sure what to do, so Harry says, "Stand in front of that bar and pick up a guy. Tell him that you charge a hundred bucks. If you got a question, I'll be parked around the corner."

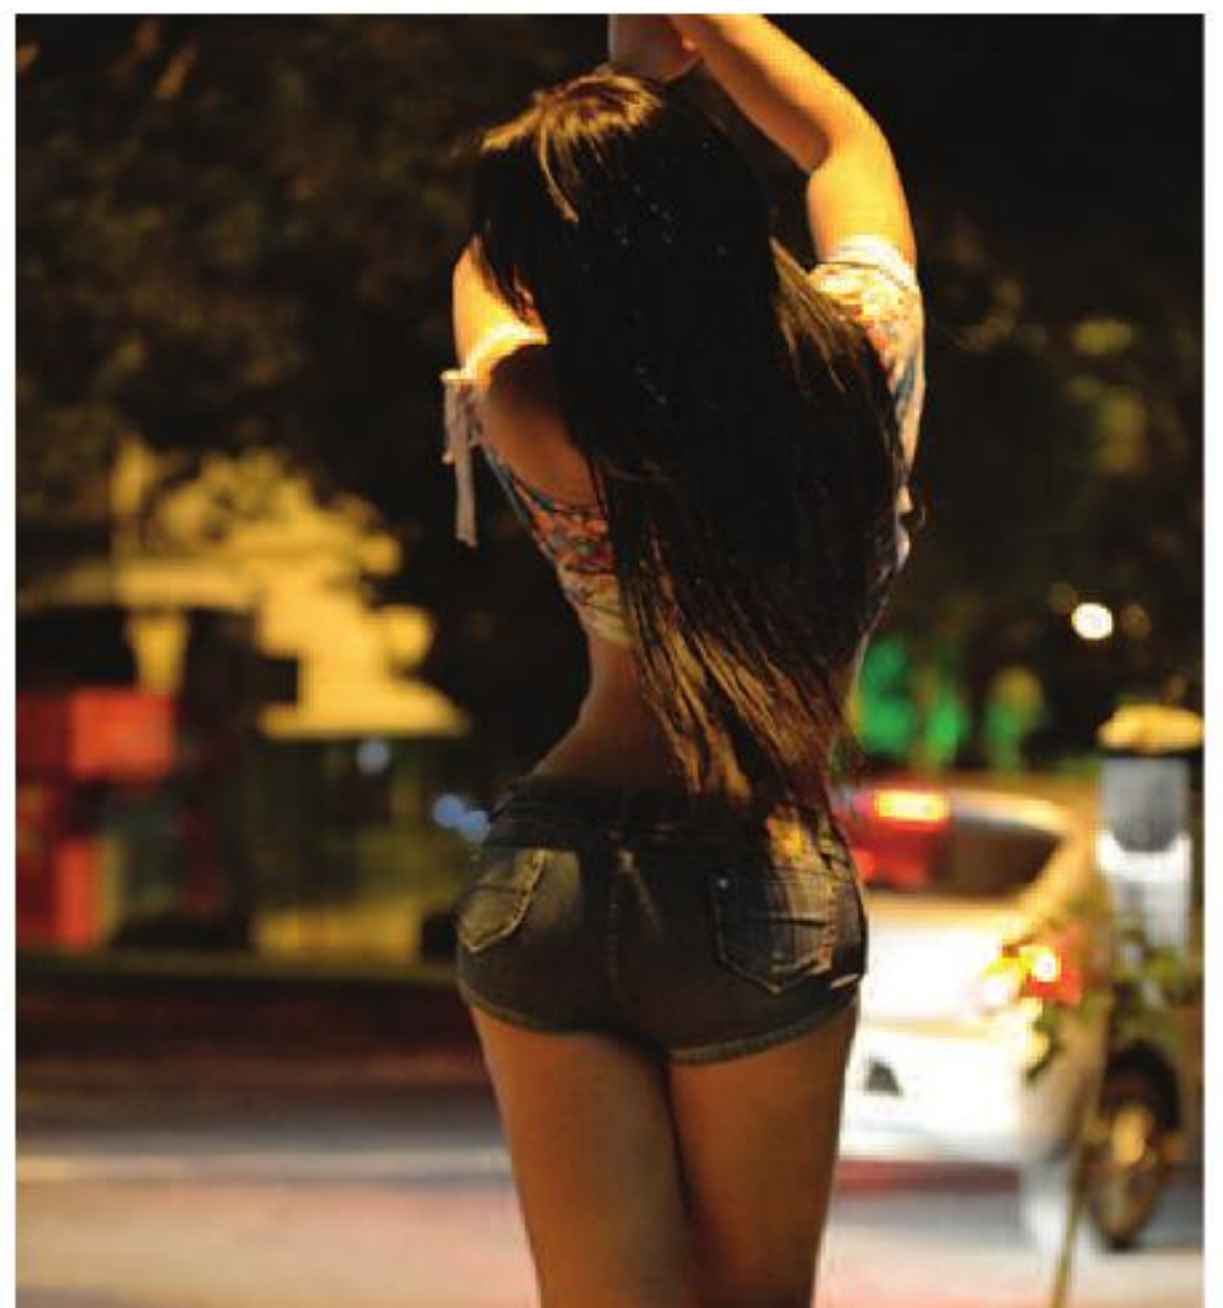

She's standing there for 5 minutes when a guy pulls up and asks, "How much?" She says, "A hundred dollars." He says, "All I got is thirty".

She says, "Hold on," and runs back to Harry and asks, "What can he get for thirty?" "A hand job", Harry reply.

She runs back and tells the guy all he gets for thirty dollar is a hand job. He agrees.

She gets in the car. He unzips his pants, and out pops this HUGE cock.

She stares at it for a minute, and then says, "I'll be right back." She runs back to Harry, and asks, "Can you loan this guy seventy bucks?"
